

## **Official Bio – G. Scott Hubbard**

**Brief – (100 words):**

**G. Scott Hubbard has been engaged in space-related research, project, and executive management for more than 45 years, including 20 years with NASA, culminating as Director of NASA’s Ames Research Center.**

**Currently Professor of Aeronautics and Astronautics at Stanford University, Hubbard served as NASA’s first Mars Program Director and successfully restructured the entire Mars program, earning him the unofficial-but-notable title of “Mars Czar”.**

**His award-winning book, [Exploring Mars: Chronicles from a Decade of Discovery](#), describes his work on NASA’s Mars Program.**

**He’s the recipient of NASA’s highest award, the Distinguished Service Medal, and was elected an Honorary Fellow of the AIAA in 2019.**
